

In Our Hearts

Gamma Phi Beta
Special Issue

Dear sisters,

Gamma Phi Beta is preparing to transition to a new member database as part of our ongoing work to modernize our technology and improve how we manage member information. This transition has given us an important opportunity to carefully review and organize the records in our current system before they are moved to the new platform.

Through that review, we discovered that a number of sisters who had been reported as deceased were not included in the data used for *The Crescent's* In Our Hearts section. As a result, these sisters were unintentionally omitted from previous issues of the magazine.

We want to ensure these sisters receive the recognition and remembrance they deserve. We invite you to take a moment to read this special edition of *The Crescent's* In Our Hearts section, created to honor the lives of the sisters listed here.

We sincerely apologize to the families, friends, sisters and loved ones of those who had not yet been recognized. We are grateful for the opportunity to honor these sisters and ensure their memories remain part of Gamma Phi Beta's story.

In LIKE,

A handwritten signature in black ink that reads "mguick".

Megan Smiley Wick (Washington State)

Chief Executive Officer

in our HEARTS

*We acknowledge the passing of the following members and
celebrate their part in our circle of sisterhood.*

*To report the death of a sister, please email
thecrescent@gammaphibeta.org with her first, maiden and last name
and chapter of Initiation. Reported sisters will be honored in a future
issue of The Crescent's "In Our Hearts" section.*

*Honor a sister with an In Memory Gift. To make an In Memory Gift,
visit GammaPhiBeta.org/Donate or call 303.800.2890. View Memorial
gifts online at GammaPhiBeta.org/InMemory.*
